

The success of the 2022 merger of Texas Bank Financial, Weatherford with Texas Bank, Brownwood is evident with its more than \$2 billion in assets. The new combined organization – now known as TexasBank – owes its growth to the commitment of the Doss-Knight family, owners who have a long history of giving back to our local communities.

Since the merger, the assets of TexasBank have grown from \$1.3 billion. The bank has 15 branches and loan production offices throughout the Dallas/Fort Worth metroplex and Central and West Texas.
